

Crystal Grid Workshop

A Workshop on Crystallographic Raw Data Management

Bloomington, Indiana

April 26 - 28, 2007

Information

For latest information, check the web page at: <http://www.crystalgrid.org>

Travel and Housing

Rooms have been reserved at the Hilton Garden Inn Hotel in Bloomington Indiana. Please indicate that you are with the "Crystal Grid Workshop" when making your reservations (we have special university pricing). Most meetings will be in the Hotel. RESERVATIONS MUST BE RECEIVED BY MARCH 25 TO INSURE THE UNIVERSITY RATE. For those of you flying into Indianapolis, we recommend that you also make reservations with the Bloomington Shuttle Service for transportation to Bloomington, located about 40 miles south of the Indianapolis International Airport. When you make the reservation, indicate that you want to go the Courtyard Marriott, but tell the driver that you want to be dropped off at the Hilton Garden Inn (it is about three blocks from the Marriott).

The url for the hotel is:

<http://hiltongardeninn.hilton.com/en/gi/hotels/index.jhtml?ctyhocn=BMGINGI>

Please reserve shuttle transportation at:

<http://www.bloomingtonshuttle.com/airreserve.html>

The workshop will provide a full buffet breakfast for participants staying at the hotel each morning of their stay, and a box lunch will be provided for all participants on Thursday. We have scheduled a dinner and tour for all participants at a local winery for Thursday evening, and a dinner at a local eatery on Friday evening. Lunch on Friday and Saturday as well as dinner Saturday will be "on your own". There are numerous restaurants in easy walking distance to the hotel, and we will have information and directions available when you arrive.

Workshop sessions will take place all day Thursday, Friday, and Saturday morning. Additional sessions may be held Saturday afternoon if necessary or desirable.

At this point we are still working on the schedule, trying to accommodate several participants who will have to arrive late or leave early. As soon as the schedule is finalized we will post it on the website.

We ask that all participants please fill out and return the registration information on the accompanying page. If you have any questions feel free to contact John C. Huffman (Huffman@indiana.edu) at (812) 855-6742.

Crystal Grid Workshop

A Workshop on Crystallographic Raw Data Management

Please email completed form to huffman@indiana.edu.

Name: _____

Title: _____

Organization: _____

Date arriving: _____

Date of departure: _____

Mode of transportation (Airline and flight number if known) _____
